## PUBLIC NOTICE

---

### Bid # 1:

Washakie County School District # 2 is accepting bids for the following: Frame two existing hallways to receive welded steel door frame with steel double flush doors, using door closers. Finish new interior walls with sheetrock. Paint walls, door frame, and doors with primer paint, and owner determined paint color. Panic bars, door locks, and electromagnetic door stops are not part of this bid. Bids must be received by March 11th, by 2:00 p.m. to be considered.

### Bid # 2:

Washakie County School District # 2 is accepting bids for the following: Remove and dispose existing vinyl siding on two school teacherage buildings. Prepare buildings, and provide and install new eight inch cement board siding and trim package with colors to be determined by the school. Reinstall downspouts and utility boxes. Separate bids for each building are required. Bids must be received by March 11th, by 2:00 p.m. to be considered.

### Bid # 3:

Washakie County School District # 2 is accepting bids for the following: Install nine 20 amp duplex receptacles on three circuits at various marked locations in the music room. Service will originate in hall electrical panel. Bids must be received by March 11th, by 2:00 p.m. to be considered.

March 1-2-3, 2016
