Department of Environmental Quality, Division of Air Quality
PUBLIC NOTICE: In accordance with Chapter 6, Section 2(m) of the Wyoming Air Quality Standards and Regulations, notice is hereby given that the State of Wyoming, Department of Environmental Quality, Division of Air Quality, proposes to approve a request by Hat Creek Resources, LLC to conduct well completion and re-completion activities in the Statewide, Upper Green River Basin and Jonah/Pinedale Anticline Development Areas in Wyoming. The proposed permit includes requirements to conduct well completions or re-completions using best management practices to reduce emissions of regulated pollutants associated with such activities to the extent practicable and to monitor, maintain records and report emissions from the completions or re-completion activities.

For the duration of the public comment period, copies of the permit application, the agency's analysis, and the public notice are available for public inspection online at <http://deq.wyoming.gov/aqd/new-source-review/resources/applications-on-notice/> and at the Washakie County Clerk's Office, Worland, Wyoming. In accordance with the Americans with Disabilities Act, special assistance or alternate formats will be made available upon request for individuals with disabilities. Written comments may be directed to Nancy Vehr, Administrator, Division of Air Quality, Department of Environmental Quality, 200 West 17th St., Cheyenne, Wyoming 82002 or by fax (307) 635-1784. Please reference A0003159 in your comment. Comments submitted by email will not be included in the administrative record. All comments received by 5:00 p.m., Monday, October 3, 2016 will be considered in the final determination on this application. A public hearing will be conducted only if in the opinion of the administrator sufficient interest is generated or if an aggrieved party so requests.
