NOTICE

The Lower Nowood Improvement & Service District hereby serves notice that the work under the contract with Copper Creek Construction, LLC for the construction of the Lower Nowood Rural Water Supply Project has been accepted as complete according to the plans and specifications set forth in the contract, and that said contractor is entitled to final settlement.

THEREFORE, on May 19, 2021, which is the 41st day after the first publication of this notice, The Lower Nowood Improvement & Service District will pay to said contractor the full amount due under said contract. Nothing in this notice shall be construed as relieving the contractor and surety on the bonds from any claim or claims for work or labor done, or materials or supplies furnished, in the execution of the contract.
