RFP for Technology

Washakie County School District #1, Worland, Wyoming is currently accepting bids on various technology items. **Specifications are minimums and must be met or exceeded. Substitutions will not be accepted.**

Quotes are due by January 15, 2022 no later than 4:00 PM MDT.

Bid Analysis: Bids will be analyzed for what is in the best interest of the District - not necessarily lowest bid. Washakie County School District No. 1 reserves the right to accept or reject any or all bids and to waive any irregularities and informalities in the bidding process.

Bid Award: The District will award bid based upon price of eligible products, product availability and ability of vendor to deliver, product quality/performance/reliability review, device serviceability by District personnel, references review and current relationship with District personnel.

Certificate of Residency: Preference of up to 5% will be given to equipment supplied by residents of the State of Wyoming, providing that the bidder includes a current Certificate of Residency along with the bid.

Please submit bids on the following:

Bid Request:
