Department of Environmental Quality, Division of Air Quality PUBLIC NOTICE:

In accordance with Chapter 6, Section 2(m) of the Wyoming Air Quality Standards and Regulations, notice is hereby given that the State of Wyoming, Department of Environmental Quality, Division of Air Quality, proposes to approve a request by MillerCoors LLC to modify operations at the Worland Grain Receiving Facility by replacing the north and south aspiration units with a single dust collection (baghouse) system (BAG001), updating the exhaust flow rate of the dust collection (baghouse) system (BAG002), revising the haul road traffic emissions to address both paved and unpaved road travel, and incorporating fugitive particulate emissions from truck loading of grain waste including roughage, fines, and chaff. The Worland Grain Receiving Facility is located in Section 7, T47N, R92W, approximately three (3) miles north of Worland, in Washakie County, Wyoming.

For the duration of the public comment period, copies of the permit application, the agency's analysis, and the public notice are available for public inspection online at <http://deq.wyoming.gov/aqd/new-source-review/resources/applications-on-notice/> and at the Washakie County Clerk's Office, Worland, Wyoming. In accordance with the Americans with Disabilities Act, special assistance or alternate formats will be made available upon request for individuals with disabilities. Written comments may be directed to Nancy Vehr, Administrator, Division of Air Quality, Department of Environmental Quality, 200 West 17th St., Cheyenne, Wyoming 82002 or by fax (307) 635-1784. Please reference A0004939 in your comment. Comments submitted by email will not be included in the administrative record. All comments received by 5:00 p.m., Thursday, February 15, 2018 will be considered in the final determination on this application. A public hearing will be conducted only if in the opinion of the administrator sufficient interest is generated or if an aggrieved party so requests.
