
PUBLIC NOTICE

Washakie County Hazardous Material Contingency Plan

Jeff Schweighart, CSP, Chairman of the Washakie County Local Emergency Planning Committee (LEPC), announced today that the County Hazardous Materials Operational Procedures Plan with accompanying inventory Tier II forms and safety data sheets (SDS) are available for public review at the Washakie County Homeland Security Office at 501 15 Mile Road, Worland, Wyoming between the hours of 8:00 a.m. and 4:30 p.m. Monday through Friday.

The Wyoming State Emergency Response Commission (SERC) has changed the method for filing Tier II reports in 2017. The Tier II submit portal is: <https://wyo.tieriiportal.aristatek.com> Only one submittal is now required by Tier II facilities and Aristatek will distribute to the required parties. Completed Tier II forms are due by March 1, 2019, per EPA Section 312, Emergency Planning and Community Right-to-Know Act of 1986 (EPCRA) regulations.

This public availability notice is issued annually as required under EPA Section 304(b) (EPCRA) regulation, regarding hazardous materials.

Anyone who wishes to review the data, but cannot do so in accordance with the announced schedule, may contact:
