
PUBLIC NOTICE

Wyoming Department of Environmental Quality Notice of Proposed Underground Injection Control Permit

The Underground Injection Control (UIC) Program regulates certain discharges of pollutants into groundwaters of the state. Operators of these discharges are required to receive coverage under a UIC permit. The permits contain limitations and conditions that will ensure underground sources of drinking water are protected. Prior to issuing permits, the UIC Program prepares a 30-day public notice to inform interested parties of proposed permits and offers an opportunity to provide written comments.

The purpose of this notification is to inform the public that the UIC Program is proposing the issuance of a permit modification for **Red Vista Village, 259A East Highway 16, Ten Sleep, WY 82442** and has prepared a public notice that is available at the WDEQ's website (<https://deq.wyoming.gov/public-notices/>) under the topic of interest entitled Water – Underground Injection Control. The public notice includes copies of currently proposed permits, relevant application material, and clearly defines the deadline and process for providing written comments. The public comment period begins November 09, 2023, and ends December 08, 2023. If you have any questions, please contact Justin Scott, Wyoming Department of Environmental Quality, Water Quality Division, 200 West 17th Street, Cheyenne, WY 82002, 307-777-7511, justin.scott2@wyo.gov. Para Española, visite deq.wyoming.gov. Americans with Disabilities Act: special assistance or alternative formats will be made available upon request for individuals with disabilities. Please provide at least fourteen (14) days before the close of the public comment period for such requests.
