## NOTICE OF INTENT TO Adopt New RULES AND REGULATIONS OF THE Washakie County School DISTRICT #2

NOTICE IS HEREBY GIVEN that the Board of Trustees of Washakie County School District #2 ("District") is considering adopting new rules and regulations. The draft rules are posted online at the District's website (<https://www.wsh2.k12.wy.us.com>) and are available at the District's main office. All prior or existing rules that are inconsistent with new rules will be null and void and replaced with the new rules.

**Pursuant to W.S. 21-3-132**, the proposed rule establishes a process, requirements and conditions for employees to apply to the Board of Trustees for approval to conceal carry firearms at school. The proposed rule requires employees who wish to carry a concealed firearm at school to, among other things, submit an application to the Board of Trustees; possess a valid conceal-carry permit issued by the State of Wyoming; undergo a psychological suitability examination; and undergo firearms training. The proposed rule also describes the costs that the School District will pay, and costs which the employee will have to pay. The principal reason and purpose for the proposed rule is to help protect students in Washakie County School District #2 by allowing certain personnel approved by the Board of Trustees to carry concealed firearms to defend against any armed person who attempts to harm the staff or students at a school. The proposed rule help to mitigate the danger presented by armed persons, in part because of Washakie County School District #2's remote location and distance from law enforcement.
